Well it's certainly been a summer to remember, hasn't it? I remember feeling hot and uncomfortable on the train, hot and uncomfortable in the office, and hot and uncomfortable at home. Still, there are a few ways you can take your mind off that sort of thing, and I for one would recommend spending some time with Katie Thornton, Lola-Marie and co to help you unwind!

LONDON club DVD MAIL BAG

Last summer I was laying by the pool a few days into our holiday in the south of France when I saw her walk in. It was the third day running I had seen her and she was again with the same girl as the previous two days. My wife, Denise, smiled as she saw her and threw me a glance to make sure I'd noticed her.

“She looks good today,” Denise said.

“New bikini,” I replied and we smiled.

Anyway, we kept an eye out for her every day, and were never disappointed. Come the middle weekend of our stay quite a few people left and not so many arrived. We noticed that the few pitches near our place were now empty and we knew if they stayed empty it would give us some added seclusion for some outdoor naturism and sex.

When we reached the pool we were surprised to see the Goddess and her friend already there and even more surprised to see they were actually in it. We got some beds and I then dived in, coming up close to her. We'd already exchanged some pleasantries during the week and she said “Hello” when she saw me – we had already worked out that her English was much better than my French!

I responded, saying, “This is the first time I've seen you in the pool.” She explained that it was because the pool was quite and that her friend was going to take some pictures of her.

The pictures were like a professional shoot. First, she lay on the steps of the pool with her legs stretched out and her head thrown back, then there were poses sitting on the side, head thrown back and tits pushed out, then different poses with hair up and then being let down, the photos being retaken if they did not like the shot that they carefully examined on their viewing screen of the camera.

I watched transfixed until she had finished and jumped back into the pool.

“That was so sexy!” I told her. She smiled as I asked if she was a model. She told me she wasn't but loved having different collection of pictures of herself, then added almost nonchalantly, “It's a shame you can't go topless here.”

That was it for me. My cock was stiff now as thought of the chance of seeing those lovely puppies unleashed. “You could use the beach, all the girls are topless there – or why not in a secluded spot on the site?” I asked as innocently as possible.

“Yes the beach would be good,” she said, “but our tent is too close to some families for me to do on the site. It's a shame I would have liked some natural ones away from the pool and in the grounds.”

This was a chance I could not afford to miss. “We're in one of the mobile homes and there is no one around us this week if you want to use our place.”

“I COULD SEE THE SOAKED LIPS AND THE JUICES GLISTENING…”

To my astonishment and indeed to Denise's when I told her the story a few minutes later, she replied, “That would be great, shall we do some now?” And before I could answer she was climbing out of the pool and talking to her friend.

Soon Denise and I were drinking beer with the Goddess on our terrace. Her name was Danielle and after a look around, she handed me her camera and asked me to take the pictures. Then she took her bikini top off. It was hard not to stare – her tits were gorgeous!

Denise was the first to speak; “You have a lovely body.”

Danielle thanked her, adding, “You do too, we should do some joint shots.” Wow! First Danielle posed in various places topless and I snapped away. After a few pictures, she checked them, retaking any she did not like.

When she was happy with the pictures, she asked Denise to join in. First they did some pictures with their tops on but both were soon topless, posing together and I have to say that Denise's lovely 34Ds more than held their own. I was using our camera too now so I had my own set of pictures as well as taking for Danielle.

I had a great time and had taken lots of pictures, when to my complete surprise but utter delight, she took our camera and gave it to Denise and said, “Now a thank you for the photographer.” She walked over to me and put her arm round my waist for some pictures and then turned us face to face so her tits were pushing against my chest and my very stiff dick into her tummy. She looked at Denise, who smiled and Danielle then kissed me while Denise carried on taking the photos.

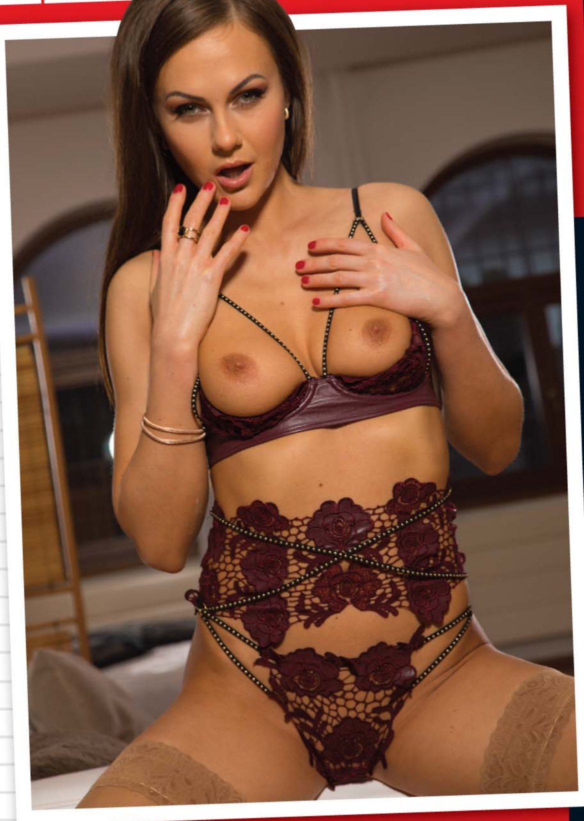
I wasn't sure what to do but Danielle took the lead and she took my hand and placed it on her tit while her hand started to grope my cock in my shorts. Before I could say anything I heard Denise say, “Oh, is this going to get naughty?” but before anyone could reply Danielle was pulling my head down to her tits.

I caressed her lovely big tits before gently sucking on each nipple before taking a tit into my mouth, alternating feeling and sucking on those gorgeous tits, taking them deeper into my mouth with each suck, until I could not fit any more in. Danielle was moaning loudly, her head back, whilst Denise kept shooting away, telling us how horny we both looked.

I carried on sucking, but let my hands fall to her bikini bottom, which I started to roll down. There was no resistance and she was soon stepping out of them while my hands roamed all over her lovely full bum, my mouth continuing to devour her tits.

I looked at Denise, whose nipples were like bullets, and saw her hand was now down her bikini bottoms slowly frigging herself while still taking the odd picture one handed. I pulled my mouth away from Danielle's tits and led her to the wooden table on the terrace. She knew exactly what I was thinking and laid back with her legs wide open. Her cunt was gorgeous. I could see her soaked lips and the juices glistening, her clit already protruding under a small neat bush.

I went down on her. She tasted gorgeous, and while Denise took a few more pictures on both cameras, Danielle came with a shuddering powerful orgasm. When she'd recovered she pulled herself



Oh Kay By Me!

Thanks to your interview with her in 13.02, I've got a new all time favourite porn star in Tina Kay! She sounded like such an utter nympho in her interview that it did my heart good to read it – imagine being so into your work – there can't be many of us that get that sort of job satisfaction. When asked what her favourite toy was she didn't have to think – she doesn't like toys at all, it's real cock all the time for Tina! Well, if she ever finds herself going short (which I doubt she will, sadly) please let her know there's a stiff 7-incher waiting for her down in Southampton!

Graham, So'ton.

off the table and knelt in front of me. She pulled down my shorts and licking her lips first, proceeded to give me the most amazing blow-job.

She was very good, with lots of eye contact and slurping, taking my cock deep. Denise had taken her panties off now and was leaning against the table where I had just made Danielle come, wanking herself. I love watching her wank and I watched her bring herself off while the Goddess sucked expertly on my dick.

I was soon holding Danielle's head and pumping her mouth hard, which she seemed to love and the dirty minx didn't move as I shot my first load in her mouth and the second and third shots over her face. Still on her knees she turned to the camera, smiling with the come on her face before licking my dick clean.

After that we had another beer, all sitting naked around the table in the sun before Danielle thought she better rejoin her friend. We all walked back to the pool and although she asked us not to say anything, she asked us if we would do some beach shots too. Of course we would!

SIBYL

Sibyl's a bit of an old-fashioned name for such a lovely young thing, don't you think? Were her parents fans of Sibyl Thorndike, perhaps, or maybe Sibyl Shepherd? "She spelled it Cybill Shepherd! No, it was just my grandmother's name and I ended up with it. I kind of like it now, but when I was a kid I wasn't so happy about it. There were far too many jokes about Sibyl Fawlty for my liking!"

Well, having checked you over from every angle, we're happy to confirm that you look Sibyl Faultless to us!

Starring: Kitana Lure, Lelya Bentho, Luna Corazon, Carolina Abril, Jemma Valentine, Katie Montana, Sharon Saint.

Available From: Evil Angel.

It's not every day of the week you get the opportunity to witness a legend in action, so when word reached me that Italian woodsman Rocco Siffredi was lensing a new scene I figured that'd definitely be one set report that needed to be written up. The 54-year old first started out in the business in the mid-80s, and since then he's had his rod buried up more wanton porn tartlets than most of us have had hot dinners. He's retired twice over the years, but something keeps mysteriously drawing him back to the industry that made him something of a household name in his native country. Hmm, it probably doesn't take much working out what exactly it is that keeps drawing him back – each generation of porn stars see it as something of a badge of honour to have worked with Rocco, and he's famed for getting especially intense performances out of his co-stars.

These days he plies his trade at Evil Angel, the American studio that's carved out a niche for itself with its full on gonzo titles, and he seems to feel right at home there working alongside other anal-obsessed directors as Mark Wood and Mike Adriano, and for today's shoot he's going to be teaming up with Hungarian hottie Layla Bentho and Russian splosher Kitana Lure, who (a bit of research tells me) is well known for her bum-tastic antics. All in all, then, it should be a memorable encounter, set to take place in a mocked-up gym in a hanger that's suitable off the beaten track.

Given the continental pedigree of the performers, everything gets off to a very civilised start with Rocco introducing himself to the girls and plenty of cheek-kissing all round. It seems a bit incongruous in the light of what we all know is to follow, but whilst Rocco might be an unrelenting presence on screen, off it he's clearly a charming and well-mannered type. Then the girls change into their costumes – they're gym workers, complete with day-glo hot-pants with 'Sucky Fucky' emblazoned on the back, just in case

# of the Siff!

“Can you give me a push?”

“THE LEGENDARY WOODSMAN CRAMS HIS ENTIRE LENGTH DOWN KITANA’S THROAT FOR A GOBBLE…”

we were in any doubt about what’s in store. Finally they take up their positions and filming commences, with Rocco wandering onto the set hoping for a bit of personal training from the pair. They talk him through a turn on a cross cable machine (complete with Rocco stickers plastered all over it), but it’s far too much effort and so they head to some kind of rope-dangling device, where Kitana shows off a few moves before doing the splits, like you do. Poor old Rocco can’t manage that either, but then he is getting a little bit long in the tooth and, well, he’s not a super nubile porno splosher. He has a go, mind, but oh – he’s pulled a muscle in his thigh and that’s the end of his exercise routine. Hmm, what else could they do to pass the rest of the session…?

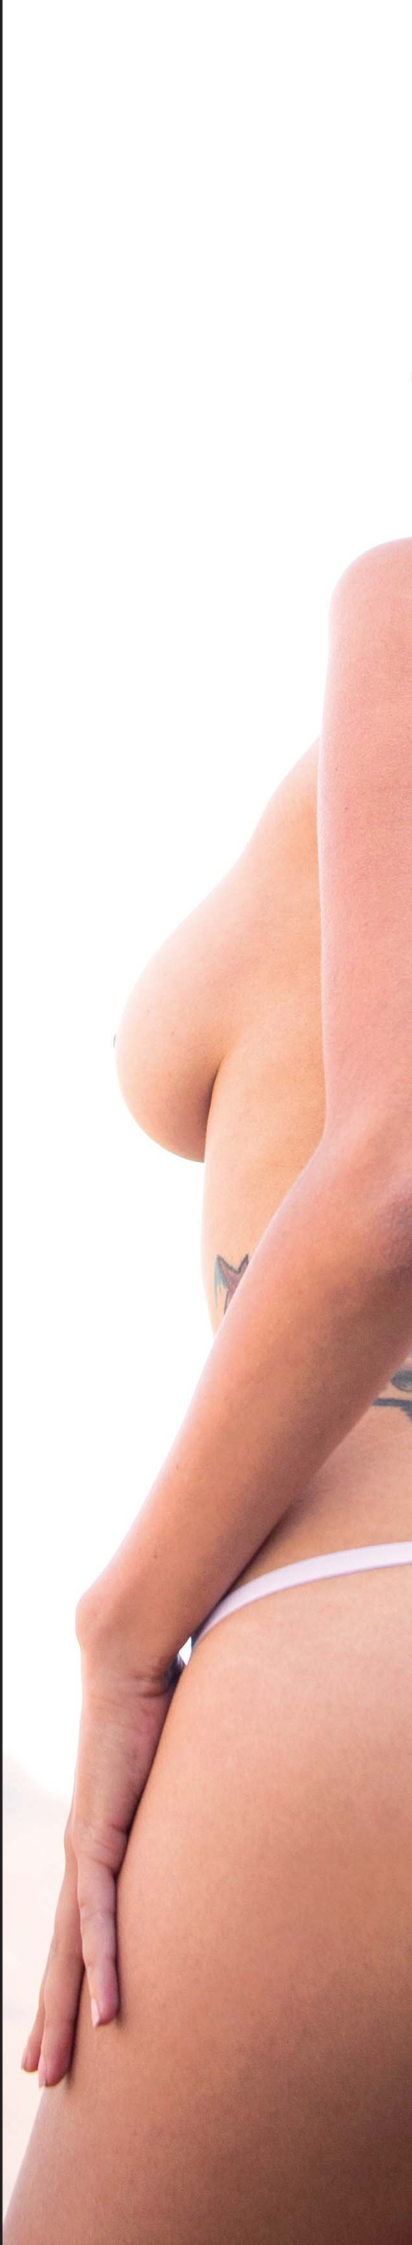
Well, there’s no need for direction – Rocco knows exactly what to do, so while Kitana gives his swelling crotch a massage he spins Leyla around, pulls down her shorts and buries his face in her shapely arse. From here on in we’re into the sort of work-out Rocco’s far more comfortable with, and they waste no time in whipping out his pole for a slurp before he offers his arse up for a rimming from Kitana while Leyla gobbles his prick – and then vice versa. Outside of gay porn Rocco’s bum must have seen more action than any other stud what with all the rimmings it’s had over the years, but he’s clearly still got a soft spot for it!

From there on in things just get more and more intense, as the legendary woodsman crams his entire length down Kitana’s throat for a gobble and a half. By now any normal guy would be reaching the limits of his endurance, but Rocco’s only just getting started, and when the girls spin round and offer their rears to him the shagging proper finally starts. First Leyla, then Kitana get a seeing-to from behind that gets them all glistening with sweat as he pounds away. By this stage most performers would have taken one, of not two breaks, but Rocco’s clearly not one to lose momentum, and things just get more and more full on as Kitana hops off his knob, trots over to get a sex swing which she clambers into, and offers up her bum for the famous Rocco treatment. He doesn’t need asking twice, and jams his pole up her jacksie and proceeds to give it a real work-out.

Leyla has a little try out of the swing as well, spreadeagled as our man slams into her shaven snizz before she’s left dangling, frigging herself frantically as Kitana and Rocco head off for a bit more anal and rimming action on the floor in front of her.

Finally it’s Kitana who’s spent, withdrawing from the action for a well-deserved lie down as Rocco and Leyla move into the final session of the scene. Freed from the swing, the svelte strumpet gives him another noshing before a frenzied 69ing leads into a tremendous reverse cowgirl in which her arse wobbles magnificently as she slams it up and down on the stud’s prong. To roud it all of a bit of doggystyle gets Rocco to the brink, at which point he pumps his load deep down the Hungarian harlot’s throat. Blimey, it’s no wonder Rocco’s reputation still stands after all these years – there really is nobody quite like him in the industry.

Songs for swinging lovers.



VYNESSA

San Francisco might not be the hippie paradise it was back in 1967 (at least that's what I've been told), but it's clearly still got plenty going for it if can produce girls as hot as Vynessa here…

"Yeah, there aren't many old hippies left now, although there's still something about the city that remains from that era. People are very free and easy there, and you're free to express yourself without being judged. Still, I wish I could have been there for the Summer of Love!"

So do a load of old hippies, we bet!

It's always a red letter day whenever we team up with a brand new British girl to shoot for the mag, but it's even better than that (erm, a gold letter day?) when the girl in question clearly enjoys taking her clothes off ana playing with herself even more than we enjoy watching her do it! Lola-Marie here is a case in point – she was itching to get cracking from the very start, but we kept holding her up saying we needed a few poses like this and a few poses like that. In the end, though, she got her own way!

CHERRY BOMB!

Formerly known as Chloe Couture, Chloe Cherry's a randy 20-year-old who has been wowing fans with her intense scenes since she got into the business aged just 18 – and doing anal almost immediately! So what makes her tick – and more importantly, what makes her wet...?

As a 20 year old you're not long out of high school. Are you still in contact with any of your classmates?
Not so much. I talk to maybe 3 of them. When I go back home, I just stay with my three people now. I've moved on.

What do they think of your career?
My friends think its awesome! They're really, really impressed with me. They say I'm their inspiration. They say they've learned so much from me and are really amazed. It makes me so happy.

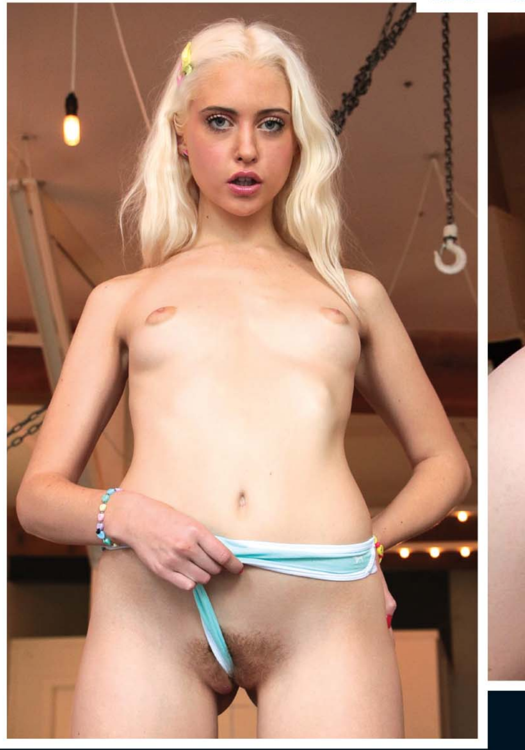
Do any of them want to get into porn?
None of my friends. I have other people from school that ask and I just tell them to find a porn agency and contact them.

You seem like a shy and reserved in person. How do you become so volcanic when the camera's rolling?
I don't necessarily think its when the camera turns on, I think its when its in a place where I can be myself and feel like I'm about to express my sexuality. I just feel good. When I'm hanging out, I'm just a naturally pretty quiet person. I don't really talk a lot. My scenes are what comes out of me naturally.

You are an anal teen queen. What is it about anal sex that you like so much?
It's just really dirty and really intense. It gets really crazy and takes a lot of energy and I like that! Some people are really good at it, which is awesome, and it's really fun. It's crazy gonzo and that's my favourite.

Are you ever concerned that you're doing it too much?
No. I just think that for your job, your giving up something. I guess that's my thing. No, I have no fears.

Do you think you'll ever attempt a double vag or a double anal?
I've done it in my personal life so I think I'll do it on-camera but I'm waiting for a company that's really excited about shooting that stuff. I would like it to be a dope scene.



You said you did it in your personal life, how do you arrange for two guys to do that?
I didn't do it with two people. It was a dildo and a regular dick.

I've read that you love fingering but it rarely happens in porn. Is it happening more to your satisfaction now?
Honestly, it doesn't really happen that much still. It will mostly happen if it's a blow-job scene or something where they can't penetrate. I don't know what it is about it but I really like it! Ramon Nomar is able to make me squirt! The first time I squirted, it was for Kink. It was crazy!

Were you with any girls before porn?
I was with girls a little bit, mostly with other guys. I was definitely curious and stuff. From where I was from, people thought down on gay sex. It's really weird compared to here so I wasn't open about it. People were too judgmental. It wasn't until I was 17 or 18 when I was about to leave the state that I got more into it.

Why did you change your name to Chloe Cherry?
The only reason I changed it was because someone was using Chloe Couture as a YouTube channel and they had it trademarked. The person had that as their internet name for years and years. I think Chloe Cherry fits me better. I like it so much more!

What do you like sexually? What gets Chloe wet?
I really like massages. Being rubbed makes me feel so good. For guys, I like it when they use their big hands and they're strong and can really get into my muscles. For girls, I like it

when they rub my back and my legs. And their nails and hands are really soft and it turns me on so much! Also, I get turned on if the person is nervous around me and nervous to have sex with me. That really turns me on.

You're submissive and you're petite. Would you ever do a pegging scene on camera? It's hot to see such a petite beauty dominate a bigger man.
I don't really know because I've rarely done that in my personal life. I guess it depends on who it is.

Being so young, you do a lot of taboo scenes. Do you like that role play?
I've gotten used to it and I'm really good at it so I like it. I know the attitude and the things to say and the way to act. It's really the opposite of the real me. When I was younger, I had a stepdad and stepbrother and it was NOT like that! Ha! It's funny that I'm flirty with my stepbrother on film whereas in real life, my stepbrother just thought I was so weird! He would not feel that way about me!

Do you prefer gonzo or features?
I do really like gonzo but I really like features because I really, really, really like acting. I love the sex in the gonzo so I love both of them.

Let's talk about lesbian sex, what's your favourite part of a woman?
I like the face. It's funny, when I meet a female, I stare at her face and look at every detail. With a guy, that doesn't happen. The more I look at a guy's face, I'm like 'ehhhh'. (laughs) Guys are different beings. They're very opposite.

If you were to get a lesbian showcase movie, what four women would you want to appear in it with you?

"[ANAL] GETS REALLY CRAZY AND TAKES A LOT OF ENERGY, AND I LIKE THAT!"

Out of girls I've never worked with… that's hard, there are so many! I would love to work with Giselle Palmer. Also, Nicolette Shea, I think she's so beautiful. I want to work with other Spiegler Girls like Kira Noir and Kendra Spade. Also, Karlee Grey! Alex Harper… all of them are really, really beautiful!

What do you look for in a guy off camera?
I really like guys who are on the shorter side. I like guys who are really passionate about something and really creative. Open minded, also.

What's the kinkiest thing you've ever done off-camera?
Doing the double anal with the toy and the dick. That was a lot!

Did you like it?
Yes, I really liked it! I've also done a lot of submissive play, way more than I've done on-camera. In my real life, I can be very, very submissive.

And how can fans get hold of you?

Every year we hear stories about how the NHS is under unprecedented strain, with poorly people stashed in supermarket trollies in the carpark and the like, but I don't suppose our health system is ever going to be under as much strain as Katie Thornton's bra! I mean hats off – it's doing its best to keep those magnificent boobs under wraps, but can't manage it for too long. Never mind though, eh?

CONFESSIONS AWARD

Got a filthy tale or two to share with us? Stick it in an e-mail to clubdvd@paulraymond.com and you could earn yourself a great big bundle of filth!

I must admit my first year here away at university was a major disappointment. I was looking for a wild time full of fresh experiences, but felt my predictable fellow students let me down somewhat. It took a trip back to my old school to set me off in the right direction. As a former head girl I was invited back this summer for the annual awards day ceremony. I thought it would be nice to see some old faces for the first time in over twelve months. What happened proved a very pleasant surprise...

It was all predictably 'nice' until I found myself cornered after the ceremony by a very charming man. I'd never really got this 'older-man-fascination' some girls my age have; give me a fit young lad any day. But Gerry was undeniably handsome, despite being in his thirties definitely more charming than the lads my own age.

He turned out to be a local businessman turned benefactor for the school and we chatted for ages, Gerry making no effort to hide his wondering eyes. He then said, "So you were head girl here then?" I've always been known for my bluntness and replied, "Oh no. You're not going to make some lame joke about me giving head, are you?" He laughed and said he wasn't, but added, "Now that you've brought the subject up..." I liked the fact he was willing to play along.

> **"HE NUZZLED AND SUCKED, FLICKED AND LICKED EVERY NOOK AND CRANNY"**

When Gerry suggested we slipped away and went back to his hotel suite I couldn't help but be a little taken aback by his bluntness, yet since becoming a student I'd resolved to 'try anything once' so I accepted his invitation.

We knocked back a bottle of champagne in his room then he asked if I made a habit of accepting such invites. I told him I didn't but told him my new resolution. "Glad to hear it!" he said.

I was standing looking out the window when he came up behind me and slipped his hands around my waist. He only had one thing on his mind and, judging by the bulge pushing into the small of my back, he wasn't about to take no for an answer.

He helped me out of my blouse and skirt and then started to caress my body. I leant forward and pushed my bum out towards him. He fondled my cheeks and then his hand rubbed between my legs. Very slowly he eased my knickers down and kissed my bum on both cheeks.

I opened my legs a little wider and his fingers started to probe. I was already wondering why I'd left it so long to sample an older man. Gerry already had me tingling with excitement and we'd only just begun.

He led me over to a chair and sat me down. My boobs were released from my little conservative bra and he paid them a lot of loving attention, kissing all around my nipples until my brown buds had hardened between his teeth.

Gerry knelt on the floor between my legs and teased me by kissing all around my inner thigh before finally burying his face into my hot pussy. I've never known such attention be paid to my clit in one go as he nuzzled and sucked, flicked and licked my every nook and cranny until my juices coated his chin. He even slipped his tongue down to my bum and gave my arsehole a lick, making me squeal with utter delight.

He pushed his face harder into me so that his mouth was clamped tightly over my cunt and I couldn't break away even if I wanted to and subjected me to the tongue fucking of my life. When he was done I must've come over his face half a dozen times and could barely catch my

SINNER!

> "HIS MIGHTY COCK STRETCHED ME WIDE BUT STILL SLID IN ALL THE WAY..."

breath.

Gerry lifted me out of the chair and placed me on the bed. I was flat on my back, legs wide apart and waiting to be fucked. He unbuttoned his trousers and pulled them apart to reveal a thick handsome-looking prick. I was wetter than I've ever been in my life as he slid inside me. His mighty cock stretched me wide but still slid all the way in with one swift thrust. I pushed back against it as he sucked on my tits and began fucking me for all he was worth.

I imagined that he must've been so turned-on at this point that I didn't expect him to last the distance but Gerry showed me he was more in control than that. He took it so slowly at first, allowing me the double sensation of feeling his cock inside me as well as his tongue caressing my nipples. He then increased his speed and I wrapped my legs around the back of his neck. Gerry pumped into me for a little while, and then eased off. I was about to ask why when he flipped me over and re-entered me from behind. If I'd been loud in my appreciation of his efforts before, it was nothing on the noise I made as Gerry shagged me doggy style. I buried my head in one of the pillows to muffle the sound. It didn't help that he was whispering some of the filthiest things I've ever heard in my ear as he rammed deep inside me.

Pretty soon I felt his finger teasing my other hole as his cock pummelled my pussy. With both holes getting attention like this I completely lost control, not to mention my wad. In between gasping for air I was screaming into the pillow as wave after wave of yet another orgasm surged through my quivering body.

Gerry finally announced he was about to come. He pulled his cock out of me and told me to roll over so that I was lying looking up facing him. He wanked his shiny cock furiously then exploded all over me showering me with sticky slugs of semen. Spunk rained down on me, splashing my belly and tits and getting all in my hair until he was totally spent.

I scooped some of the creamy spunk up on my finger and masturbated my pussy with it, watching the reaction on Gerry's face as I rubbed myself. Exhausted after our sex session, he collapsed back down on top of me and kissed me tenderly before rolling over and going to sleep.

I cleaned up and gathered my things together before quietly slipping away. I could've stayed and probably relived the whole thing again in the morning, maybe even making it dirtier, but I didn't know whether I could've taken it again so soon after such a session, so I decided to leave on a high and not risk spoiling it.

MARINA

MARINA

Well, if we didn't manage to get a good bit of alfresco action into the mag after that recent hot spell we really would deserve a slap on the wrist, and naturally-boobed cutie Marina seemed as good a choice as any to take one of the berths! She really is a corking all-round package, don't you think, with just a hint of puppy fat to complement her curves...

"Well I am only 19, so I'm allowed a bit, aren't I? And besides, I'm not really a fan of super-skinny models anyway!"

Fair enough – if they were all more or less your shape we'd have no complaints!

THE CHANGELING

THE CHANGELING

Second Sight

George C. Scott, Trisha Van Devere, Melvyn Douglas.

It's hard to know where the horror film genre would be without that good old standby the haunted house. Every generation throws up some new variations on the classic theme, and there's no sign of things letting up any time soon. Back in 1980 Director Peter Medak had a crack at it, and what resulted was one of the classier variants, not least thanks to the fact it starred Hollywood big-hitter George C. Scott. The set-up is classic – following the death of their daughter composer John Russell (Scott) and his wife (Devere) up sticks and move out to a big pile in the country, but plans to put the past behind them in their new gaff prove to be very short-lived as John begins to sense something very unpleasant around him. With a sure touch at the helm this provides plenty of chilling moments before its unsettling denouement, and this limited edition reissue boasts a dazzling new 4K resolution, a 40-page booklet and loads of other bonus goodies!

THE LAST WARRIOR

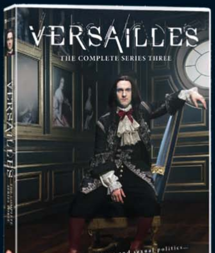
4 Digital Media

Viktor Khorinyak, Mila Sivaskaya, Ekaterina Vilkova.

No, OK, the names of those actors probably aren't instantly recognisable to western audiences – but then hey, this is a Russian film! But it's not your typical Russian film – nothing about the Great Patriotic War here, because the war in question is an altogether more mythological one, being (very loosely, I gather) based on certain Russian folklores. It's about the Scythians, a fearless race that lasted from classical times until the Dark Ages in their Black Sea home, and about one Scythian in particular who has to go on a quest to rescue his family from another tribe. It's all pretty daft, but if you've got a soft spot for Game of Thrones or Vikings and are needing a fix of this sort of thing you should find it suitably diverting, although it's better watched in Russian with subtitles than with the ropey English dubbing.



VERSAILLES SERIES 3

Acorn Media

George Blagden, Alexander Vlahos, Stuart Bowman, Elisa Lasowski.

By all accounts the reign of the Sun King, Louis XIV, was quite a lot of fun (for the right sort of people, at least) and there's no getting away from the fact that this dramatisation of the king's travails has been a lot of fun as well, but like all good parties this one's finally over, with the recent news that season three would be the final one. Things kick off nicely for Louis (Blagden) as his reign looks relatively secure with foreign wars won and home affairs pretty much in order, but then there's always some sort of subterfuge at court to throw a spanner in the works – and this time round it's the famous man in the iron mask! Throw in some religious tensions, lots of rumpy-pumpy and some splendid sets and costumes, and it's very easy to forgive this programme its occasional lapses into silliness!

Unlock and shoot!

Smash Pictures

Ricki White, Bobbi Starr, Adrianna Faust, Holly Morgan, Kyla Synz.

Word has it there's a new Mary Poppins film heading our way towards the end of this year, bit for all her singing, dancing on rooftops and fingerclicking magic I think I'd take one of these nannies over her any day of the week. These 5 cock-mad sploshers would all much rather have a ball-sac resting on their, er, chin-chin chereee than worry about flying kites, and the studs who've hired them all make sure they get exactly what they're after! Supercalafragalisticexpi-balls-explosious!

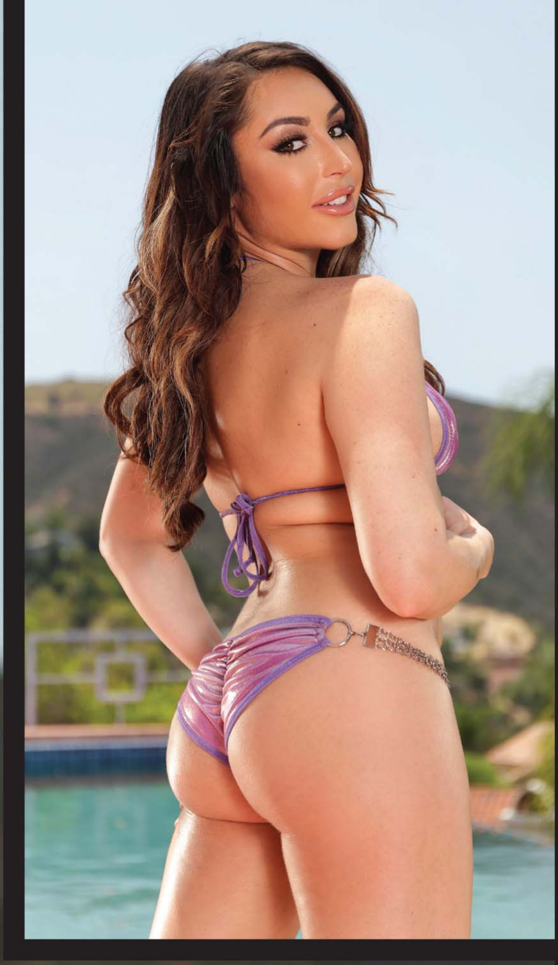
Lola Taylor, Anika Silk, Felicitas, Leanna Sweet, Ivana Sugar.

As a recent attempt at a game proved to me all too painfully, I clearly don't know my half-volleys from my passing back-hands, but even if you're not a dab hand at tennis either this flick's sure to help you get a spectacular lob on, thanks to the antics of Anika, Ivana and the always fantastic Lola Taylor, who clearly know way more how to handle a cock or two than a tennis racquet. Love all!

CHRISTINA



There's no two ways about it – this summer's been pretty damned scorchio, which might have been bad news for farmers, gardeners and firemen but has definitely been a boon for Christina Cinn, who's a confirmed sun-worshipper!

"Yeah, I love it! What could be better than getting oiled up by the side of the pool and then just chilling for a few hours? That tingle on your skin always makes me feel super horny, too, so if you'd like to help me rub the oil into those hard to reach spots, I'd be very grateful!"

Oh, alright then – if you insist!

POON RAIDER

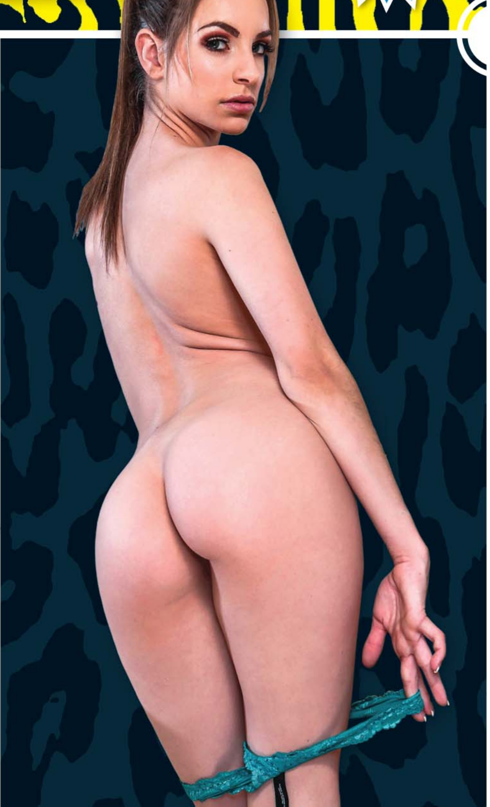
Digital Playground

Kimmy Granger, Rina Ellis, Tina Kay.

Hang on a sec - is Tomb Raider a thing again? Surely all that Lara Croft thing was a bit turn of the century. Clearly not – let's face it, everything gets a reboot every few years now, so it was only a matter of time before this one rolled round again. Anyway, Kimmy plays Laura Crotch – and she does rather look the part, it has to be said – who finds herself having to battle against her wicked stepmother for control of Crotch Industries. This battle, luckily for enough, largely involves fucking, with Ryan Ryder the first to have a crack at her. It's a nice opening scene with plenty of energy, and does a great job of taking your mind off the flimsy plot. Tina Kay shines in her two scenes, and Rina ain't no slouch either when it comes to draining balls. Tongue in cheek fun that does the job nicely, and hats off to Kimmy's stab at a British accent.



THE ART OF KISSING

Viv Thomas/MetArt

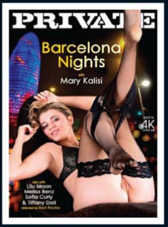
Melody Petite, Swarbery Baby, Cayla Lions, Stella Cox, Ani Blackfox, Miki Torrez, Gina Gerson, Lovita Fate.

There's definitely something to be said for kissing, but I'm not sure I could sit through a whole film of people snogging! Thankfully, as it turns out the kissing involved isn't just of the mouth to mouth variety, with the four pairings of young lovelies giving each other plenty of kisses in some rather more exotic locations – like by the pool table and next to the swimming pool. Oh, and on the boobs and pussies as well! Melody and Swarbery(!?) kick things off, and they soon settle into a very eye-pleasing 69 position which gives them (but sadly not me) good access to their moist pink slots, while Cayla soon loses interest in a rack of pool balls and concentrates on Stella's rack instead. Tasteful lesbo fun for all the family. **Available from your local sex shop.**

BARCELONA NIGHTS

Private

Mary Kalisi, Lilu Moon, Melissa Benz, Sofia Curly, Tiffany Doll.



Bit of a home fixture for Private, seeing as their main office is in Barcelona, but then why not? It's a lovely city and, assuming you pack it full of cock-hungry porno flampers, the nights there are easily as interesting as anywhere else! All the scenes on offer here are of some merit or other – Melissa's very smiley and pretty as she gets on the end of an anal drilling, while Mary's interracial dicking is certainly one of the better ones I've seen of late, but the show really belongs to Tiffany Doll, who gets a thorough DP, and to a real doll, who co-stars with Sofia in the first scene I've watched to have a sex doll in it! It's a bit odd, but horny nonetheless!

SENSUAL SEDUCTIONS

Harmony

Misha Cross, Lady Dee, Lovita Fate, Lee Anne, Nikki Dream, Anie Darling, Emylia Argan.

Looks like Harmony are going in for rather classy titles these days as well, if this one's anything to go by. Yes, you could argue there are some sensual seductions going on here, but from where I'm sitting it looks a lot more like hardcore fuckings! Raven-haired Lady Dee might snog her fella a bit first, but it's all a preamble to a cracking reverse cowgirl shafting that soon follows, and Misha and Lovita also end up on the right end of a stiff prick after they've warmed each other up with a bit of girl-on-girl fun. Lee Anne and her stud bond during a nice Autumnal stroll before heading indoors for some no-nonsense how's your father, with her shaven spadger getting seen to from just about every angle. Anie and Emylia keep things strictly lesbo before naughty Nikki raises the bar with a full-on DP as a finale. **Available from your local sex shop.**

SCHOOL BUS
EMERGENCY DOOR
THIS BUS MAKES FREQUENTS STOPS AT YOUR MOMS HOUSE

A man goes to the doctors feeling a little ill, and the doctor checks him over.

"Sorry, I have some very bad news. You have Yellow 24, a really nasty virus," says the doc. "It's called Yellow 24 because it turns your blood yellow and you usually only have 24 hours to live. There's no known cure so just go home and enjoy your final precious moments on earth." So he trudges home to his wife and breaks the news.

Distraught, she asks him to go to the bingo with her that evening as he's never been there with her before. The bloke agrees and with his first card he gets four corners and wins £35. Then, with the same card, he gets a line and wins £320. Then he gets the full house and wins £1000. Then the national game comes up and he wins that too, netting £380,000.

The bingo caller gets him up on stage and says, "Son, I've been here 20 years and I've never seen anyone win four corners, a line, the full house and the national game on the same card. You must be the luckiest man on Earth!"

"Lucky?' he screams. "Lucky? I'll have you know I've got Yellow 24."

"Good God," says the bingo caller. "You've won the bloody raffle as well!!"

……

A mother is doing her chores in the kitchen when she overhears her son playing with his new electric train in the living room.

"Okay, the train stops here. All of you fuckers who are getting off, this is the last stop. Step the hell off! And all of you sons of bitches getting on – get your arses in the train quickly. We're in a fucking rush!"

The mother goes berserk and tells her son, "Hey, you don't use such language in this house! Now, I want you to go to your room and stay there for two hours. You only come out to play after two hours but no foul language. Is that clear?"

Two hours later, the son comes out and resumes playing. Presently, the train stops. "Ladies and gentlemen, when you get off, please don't forget to take your bags with you. We thank you for travelling with us. Welcome friends. Please find your seats and be comfortable. Remember there is no smoking inside the train. Enjoy your journey."

The mother smiles. Just then, the son adds, "And for those of you who were pissed off by the two-hour delay, please see the bitch in the kitchen."

An after-dinner speaker bites on an olive stone and breaks his dental plate. The bloke sat next to him notices his predicament and offers to assist.

The speaker looks puzzled, but the man pulls out some dentures from his pocket and the speaker tries them on. Unfortunately they're too small, so the man pulls out another set but they're too big. Finally, he pulls out his last set and it's a perfect fit.

The speaker is very thankful. He says to the man, "You are an angel! I thought I was in all kinds of trouble when I broke my teeth. How lucky I am that I got seated next to a dentist."

The man smiles and says, "I'm not a dentist. I'm an undertaker."

……

An airline captain is breaking in a new blonde stewardess. The route they're flying has a stopover in another city. Upon their arrival, the captain shows the stewardess the best place for airline crew to eat, shop and stay overnight.

The next morning, as the pilot is preparing the crew for the day's route, he notices the new stewardess is missing. He knows which room she's in at the hotel and calls her up, wondering what's happened. She answers the phone crying, and says she can't get out of her room.

"You can't get out of your room?" the captain asked, "Why not?"

The stewardess replies: "There are only three doors in here," she sobs, "one is the bathroom, one is the closet, and one has a sign on it that says 'Do Not Disturb'!"

EVA

Time for one more lovely to make the most of the weather before we wrap up the issue? Why yes, there is! Newbie Eva's long legs and shapely bum mean we can wind up the issue with a pretty classy set, even if we do say so ourselves!

"That's very nice of you to say! To be honest I'm a bit nervous – this is my first shoot for a magazine and I wasn't sure what to expect, but everyone's been very encouraging!"

When it comes to beautiful women taking their clothes off, is there any other way to be?
